

Business Centre Facilities

- Training Room – this versatile meeting room that can seat up to 24 delegates. The room can be used in a variety of ways as a training facility, for board meetings, for giving presentations or just as a general meeting space. The room is light and airy, with air conditioning, free access to WIFI and with a range of IT equipment available to hire, all meetings can be catered for.
- New Product Development Kitchen – our state-of-the-art product development kitchen is great for product development, product testing, as a preparation area for catering companies, for photography/filming within a fully fitted catering kitchen and for any other food preparation you may require. The kitchen can be hired on a daily or hourly basis depending on your needs, and members of The Forum team can help with equipment usage and health and safety policies whilst using the kitchen. After work hours and weekend usage can be catered for if required.
- Meeting Room – there is also a small meeting room available for hire which seats a maximum of 5 delegates but is great for catching up with colleagues or clients in a professional environment.

If you wish to arrange a viewing of any of the above facilities, would like to discuss availability or costs please use the links above to request a call back.
