

## Leicester Food Park Room Bookings

In order to ensure that your event/meeting runs as smoothly as possible please take into account the following points when booking a room at Leicester Food Park. Please note that hire is subject to The Food & Drink Forum's standard terms and conditions ([https://www.foodanddrinkforum.co.uk/public/?page\\_id=923](https://www.foodanddrinkforum.co.uk/public/?page_id=923)).

### Opening Times

The opening times of Leicester Food Park are 9.00AM – 5.00PM. Events/meetings can only take place during these hours. Please be aware that if your event/meeting has a 9.00AM start you will not be granted access until this time. Please ensure that all delegates/attendees are aware of this. It is possible to arrange and book 8.30AM access – please discuss this with a member of Management Hub staff.

### AV Equipment

Leicester Food Park has a projector which can be connected to a laptop, flip chart and pens available in the board room, free of charge, subject to availability. If you need AV equipment you are welcome to bring your own but please allow time for setting up and dismantling when booking the room. Please also ensure that your equipment has been PAT tested and found safe to use. A projector screen is available in the board room which can be directly project onto.

If there are trailing leads please ask the Management Hub staff for cable covers. Our staff will also be happy to loan you extension leads should you need them.

### Greeting your Delegates

To ensure we can meet the needs of your visitors please inform the Management Hub staff if the number of people you are expecting to attend either increases or decreases before the event/meeting.

All visitors should report to the Management Hub Reception. From this point our staff will direct them to the relevant room. You are welcome to provide your own greeting staff should you prefer. Please also inform our staff when you have vacated the room.

If your event/meeting has a split agenda or you have guests arriving at different times please inform our staff so that we can greet your visitors accordingly.

Prior permission must be obtained from The Food & Drink Forum to attach posters, banners, flags or other such material to both the interior and exterior of the premises.

**If there is anyone attending your meeting who would need assistance in the event of a building evacuation please inform a member of the team at the Management Hub in advance of your event/meeting.**

### Site Safety & Parking

As this is a working food manufacturing site, attendees should take additional care when onsite. Access to the site can be granted by dialling 28 on the car park intercom system.

Attendees should aim to park in front of the Management Hub, parking is limited and so where further assistance is sought in finding a parking space, attendees should find a temporary space to park safely and speak to the Management Hub staff, ensuring that walkways are followed if crossing the site.

Please inform your attendees that parking is limited prior to their arrival as they may wish to make alternative arrangements.

### **Cancellation**

In the event that you cancel your booking with us less than one week's notice you will still be liable for the hire charge.
